Weekly Report

Intelligence Community Staff

Revised guidance to NFIP Program Managers has been prepared for Acting DCI signature as a result of the ICS review of FY-84 budget forecasts and the recent NFIC meeting. The SIG(I) will discuss the FY-84 budget forecast at a 26 August meeting.

Directorate for Administration

Smith, Hinchman and Grylls was advised by the Office of Logistics that they have been selected to prepare the design of the new building. The firm will visit Headquarters on 16 August and should respond with their proposal by 27 August.

 D/NESA and Secretary of State Shultz briefed President Reagan on 13 August on the Lebanon situation. 	
 OSWR, OEAA, OD&E, and the NIO/EA met with the NSC to discuss China's attempt to acquire LANDSAT equipment. 	
 SOVA prepared a memo for Under Secretary of State Buckley regarding the impact on the Soviets of U.S. only and all COCOM nation embargoes on oil and gas goods and technology. 	
 NESA will brief Congressman Solarz, House Foreign Affairs Committee, on Lebanon and Iran/Iraq and brief House Foreign Affairs staff members on Morocco/Western Sahara. 	

National Intelligence Council

- C/NIC met with Deputy Secretary of Defense Carlucci on 9 August to discuss developments concerning the Soviet gas pipeline issue.
- NIO/GPF briefed Gen. Meyer, Army Chief of Staff, on the GPF intelligence production program. Gen. Meyer expressed particular interest in increasing efforts to provide intelligence to support the Army R&D program and budget decisions. He mentioned the need for more definitive information on Soviet tactical lasers, electronic warfare developments, and chemical, biological, and nuclear weapons.
- C/NIC hosted a briefing session involving NIC and DDI officers and Deputy Secretary
 of State Kenneth Dam on 12 August. The discussions centered on the Soviet economy,
 Soviet energy prospects, and arms control issues.
